```
        errCode := isc_attach_database( @Status,
                                     null_terminat
                                     ed,
                                     PChar(
                                     FConnectedDatabase ),
                                     PdbHandle,
                                     bufptr,
                                     @buffer
                                     );
```
